**EXPOGO!**  
Presentation Products

Eliminates the need to assemble awkward and clumsy panels. ShowStyle morphs from a briefcase to a 48" x 24" fabric covered display in seconds.

Compact-size 24"x12" briefcase will fit into aircraft overhead compartment.

Photos, charts, signs, or other visual aids may be attached to the self-contained fabric panels by simply using Velcro adhesive dots.

Weights only 10 lbs!

US Patent # 6,189,594 B1

Suggested Retail Price  
**\$295\***

Includes:  
White Styrene Header  
\*Graphics Not Included.

## ShowStyle Stage II

Set the stage for the perfect presentation every time with our ShowStyle Stage II halogen light travel package. Graphics grab more attention illuminated by two dazzling 50 watt LumaStar Halogen Lights. Attaching or removing the lights is easy with our twin-pin system. When it's time to go, simply place the lights, power adaptor and cords into the convenient storage area located in the base of the carry case.

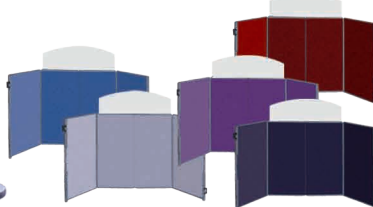

Suggested Retail Price  
**\$495\***
